STEMS PLAYER FUNCTIONALITY

The screenshot shows the stems player interface for the track "A THOUSAND OMENS - ENTER THE CHE...". The interface is dark-themed and features a top navigation bar with a play button, track name, duration (2:27), and various utility icons (grid, link, heart, plus, download, shopping cart). Below the navigation bar are four tabs: "VERSIONS", "STEMS" (selected), "DESCRIPTION", and "COPYRIGHT". The main area displays a list of stems with columns for play/pause, mute, volume, waveform, duration, and actions (heart, plus, download, shopping cart). The stems listed are BASS, DRUMS, FX, PAD 2, PAD, PERCUSSION, and STRINGS. At the bottom, there are control buttons: "RESET", "PLAY/PAUSE", "STOP", "SAVE MIX", "DOWNLOAD MIX", and "SHARE MIX".
